

## ARCHITECTURAL REVIEW COMMITTEE

Minutes of the ARC meeting held 6/4/05 at Allen's house, 8:00 AM

---

Agenda: Lot 17 Home design

People present:

ARC members: Allen and Roy

Neighbors: Bob Burr, Sally Lowe, Greg Mansfield

Lot 17: Contractor: Ken Jones

---

Discussion on Lot 17 design:

Grades on west side will be adjusted so that the area will be the same elevation.

The push out will have a overhang of 18" rather than the 6" shown on the drawing.

If a solar panel is installed it will be attached to the south side of The house or very close to it.

Lot 17 design was approved.

Minutes taken by Roy & approved by all members on 6/4/05
