

EXTERIOR FINISH APPROVAL CHECKLIST

Your application must contain TWO SETS of the following:

- ☐ Photos or drawings of exterior lightning fixtures (must be dark-sky compliant)
- ☐ Siding paint or stain color chip(s), also paint a minimum 4' x 4' patch on house
- ☐ Trim color chip(s), also paint a section of trim next to the painted siding area
- ☐ Sample, photo or drawing of proposed house numbers
- ☐ Samples of any veneers (brick, stucco, shingles)
- ☐ Drawings of exterior showing placement of different materials, if anything other than one siding and one trim color is proposed
